PRODUCT DESCRIPTION

As the entry-level model in the GEZE revolving door range, the Revo.PURE combines reliable GEZE technology with a clean, minimalist design. It is the ideal solution for entrance areas where a cost-effective solution is required without compromising on quality.

PRODUCT FEATURES

- Advanced drive technology, combined with the latest GEZE control technology, ensures maximum ease of access whilst keeping energy consumption low
- More cost-effective than automatic drives, since safety devices according to EN 16005 are no longer needed
- Customised selection of diameter, passage height and surfaces
- Effective insulation effect against draughts, weather and noise
- Easy assembly of the door system without lifting tools
