# Product data sheet

# SCT 220 UP *

Key switch for authorised activation and for changing the mode of operation of automatic doors, flush-mounted

## AREAS OF APPLICATION

- Authorised control of operating statuses on various GEZE products
- Approved for use with GEZE emergency exit system door control units
- Designed for Euro profile half cylinder 30/10
- Dry indoor areas
- Flush-mounted installation makes almost flush integration possible with small installation height
