

# Product data sheet

# RP 220 relay board \*

Relay board for universal use for the generation and switching of potential-free contacts

## AREAS OF APPLICATION

→ Connection of peripheral devices with external voltage supply to door control units

# RP 220 relay board \*

## PRODUCT FEATURES

→ Two potential-free change-over contacts offer increased flexibility in use.

## TECHNICAL DATA

Productname	RP 220 relay board *
Width	28 mm
Height	25 mm
Depth	18 mm
Supply voltage	24 V DC
Contact rating	30 V / 1 A

## VARIANTS / ORDER INFO

Designation	Description	Ident-No.	Dimensions	Number of relays	Supply voltage
RP 220 relay board	For universal use 2 potential-free change-over contacts Switching load: 30 V / 1 A Operating voltage: 24 V DC Current consumption: 10 mA W x H x D: 28 x 25 x 18 mm	102355	28 x 25 x 18 mm	2 Stk.	24 V DC
